

Open access E-Journals

Journals published in electronic format, often available on the Internet (freely).

1. Directory of Open Access Journals <http://www.doaj.org/>

10,131 Journals

6,032 searchable at Article level

136 Countries

1,812,091 Articles

2. Omics Group <http://omicsonline.org/open-access-journals-list.php>

OMICS Group International through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. OMICS Group hosts over **400** leading-edge peer reviewed Open Access Journals and organize over **300** International Conferences annually all over the world.

3. CSIR-National Institute of Science Communication and Information Resources (NISCAIR) <http://www.niscair.res.in/>

You can now access full text articles from research journals published by CSIR-NISCAIR! Full text facility is provided for all **eighteen** research journals viz. **ALIS, BVAAP, IJBB, IJBT, IJC-A, IJC-B, IJCT, IJEB, IJEMS, IJFTR, IJMS, IJNPR, IJPAP, IJRSP, IJT K, JIPR, JSIR** and **JST**.

NOPR also hosts three Popular Science Magazines viz. Science Reporter (**SR**), Vigyan Pragati (**VP**) & Science Ki Duniya (**SKD**), and a Natural Products Repository (**NPARR**).

4. Wiley Open access

<http://www.wileyopenaccess.com/view/index.html>

Wiley Open Access is a program of fully open access journals. All research articles published in Wiley Open Access journals are immediately freely available to read, download and share.

Online Open is Wiley's hybrid open access option available on over **1300** journals. Please visit [Wiley Online Library](#) for further details including information on Wiley's compliance with funder open access mandates.

5. Open Access Journals Search Engine (OAJSE)

Open Access Journals in the World (excluding India)

<http://www.oajse.com/>

The Open Access Journals Search Engine (OAJSE) service covers free, full text, quality controlled journals. We aim to cover journals in all subjects that are published in English language. There are now **4,775** journals in the directory. All are searchable at article level.

6. Bioline International: <http://www.bioline.org.br/>

It is a not-for-profit electronic publishing service committed to providing open access to quality research journals published in developing countries. [Journals' List](#) (Biotechnology and Bioscience etc journals).

7. <http://www.springeropen.com/journals>

SpringerOpen, launched in June 2010, includes Springer's [portfolio](#) of **160+** peer-reviewed fully open access journals across all areas of science ranging from very specialized titles to [SpringerPlus](#), our interdisciplinary open access journal that covers all disciplines.

8. BioMed Central: <http://www.biomedcentral.com/home/>

It is a Publisher of more than **160** peer-reviewed open access journals.
[List](#)

**9. Unesco Social And Human Sciences Documentation Centre:
<http://www.unesco.org/shs/shsdc/>**

Free access to specialized articles from around **700** periodicals

10. HINARI access to research in Health

<http://www.who.int/hinari/en/>

HINARI Programme set up by WHO together with major publishers, enables low- and middle- income countries to gain access to one of the world's largest collections of biomedical and health literature. Up to **13,000 journals** (in 30 different languages), up to **29,000 e-books**, up to 70 other information resources are now available to health institutions in more than 100 countries, areas and territories benefiting many thousands of health workers and researchers, and in turn, contributing to improve world health.

11. <http://www.sciencepublishinggroup.com/journal/journallist.aspx>

Science Publishing Group Open access journals in all disciplines

12. <http://www.medical-journals-links.com/nutrition-journals.php>

Medical Journals relating to Nutrition Journals

13. <http://www.tandfonline.com/page/openaccess/openjournals>

Taylor & Francis and Routledge currently publish a number of pure open access journals, with no subscription content. The articles in these journals receive both rigorous peer review and expedited online publication.

14. High Wire Press: <http://highwire.stanford.edu/lists/freeart.dtl>

HighWire Press is the largest archive of free full-text science on Earth! We are assisting in the online publication of **2,485,714 free full-text articles** and **7,642,696 total articles**. There are 47 sites with free trial periods, and 113 completely free sites. 291 sites have free back issues, and 1381 sites have pay per view!

15. Indian Academy of Sciences : <http://www.ias.ac.in/>

The Indian Academy of Sciences was founded and registered as a society in 1934 with the aim of promoting the progress and upholding the cause of science, in both pure and applied branches.

16. Free Medical Journals:

<http://www.freemedicaljournals.com/htm/index.htm> (4520 Journals)

Over the next few years, many important medical journals will be available online, free and in full-text. The unrestricted access to scientific knowledge will have a major impact on medical practice.

17. Strategian: <http://www.strategian.com/>

The Strategic Guide to Quality Information in Biology, Chemistry, Computer Science, Mathematics, Medicine, Physics, and Psychology

18. <http://www.blackwellpublishing.com/researchproject/journals.asp>

Open access Journals and Books

19. <http://www.sapub.org/Journal/alljournalslist.aspx>

SAP is an open access publisher of journals covering a wide range of academic disciplines. SAP publishes peer-reviewed scholarly journals indexed with some international databases. All of journals published by SAP provide immediate free access to the full text of articles in PDF format. PDF access is free for all of the journals in the world.

20. <http://www.indianjournals.com/ijor.aspx>

Open access Journals

21. <http://www.annexpublishers.com/>

Annex Publishers, as an Open Access publication model allows the dissemination of research articles to the worldwide community. We offer you the advantage of interaction with the most effective minds from the scientific community. All articles printed under open access will be accessed by anyone.

22. <http://libguides.ncl.ac.uk/c.php?g=130162&p=850704>

Food and Human Nutrition: Journal articles

A Guide to library resources and information for food and human nutrition staff and students

23. <http://benthamopen.com/>

BENTHAM OPEN publish over 100 plus peer-reviewed open access journals. These free-to-view online journals cover all major disciplines of science, technology, medicine and social sciences.
