### REPORT ON INDUCTION PROGRAMME (29-07-2019 to 03-08-2019)

On 29<sup>th</sup> of July 2019 Students Induction Programme was inaugurated by **Dr.V.Bharatha Lakshmi, Principal**, D.R.W College. **Sri.MuniRaja**, Former Rotary President was attended as Chief guest. The Principal of the college presided over the function and delivered her speech on College History and progress. The session was continued with chief guest's speech on Moral values. Students were enlightened on moral values by the inspirational speech by the chief guest. Students are enthusiastically involved in the campus visit and got awareness on various departments other than their own students were eagerly observed several equipments which are in research centre and clarified their doubts regarding the equipment. Day scholar students have got awareness on kitchen equipment and other facilities of the hostel Arts students were impressed about Plant tissue culture lab, Botany and Zoology museums and all science labs. Students felt happy for having Fish Pond and Botanical garden in the Campus Students were interestingly attended all the sessions of the induction programme and got knowledge on Examination cell, NSS cell, Antirragging, Physical direction (Gym), Placement cell, Creative corner, Health and hygiene, Women empowerment and also about all the all the hostel and college committees and their duties. Students were responded and also feel the reality of the motivational videos on parental love, importance of education and successful life stories. Students were showed their talents of fine arts by the encouragement and support of the mentors and they also feel their gratitude towards mentors for the encouragement. In the valedictory session from every class few students were presented their experiences and about the use of the Induction programme and expressed their thanks to Principal **Dr.V.Bharatha Lakshmi**, Co-Ordinator of the programme **Dr.B.Yasoda** and all the mentors of various departments.

Students were encouraged by presenting certificates.
